

## **SERVICE PROVIDERS**

Here is a list of companies that offer “fee-for-service”—this means the customer agrees to pay a price set by the contractor to perform a specific service. We are providing this list for your reference if you either do not qualify for our *Aging in Place*, or *Brush With Kindness* programs, or you need immediate assistance for your project. We have had the pleasure of working with these companies in the past, but please note that we are not recommending nor endorsing a specific one.
