

### What is ReStore ReDo?

ReStore ReDo invites local community members—from novice to experienced Do It Yourself-ers (DIY-ers)—to “re-do” or repurpose an item selected from the Habitat for Humanity of Dutchess County ReStore. Between October 15 and October 28, we’ll display the finished projects at the ReStore and on our social media sites—Facebook, Instagram, LinkedIn, Pinterest, Twitter, and YouTube—and visitors will be able to vote for their favorite. This is a terrific opportunity to show off your creative talents!

ReDo projects will also be put up for auction online between October 18 and October 27, and all funds collected will go towards supporting the Habitat mission to build safe and financially sustainable housing in Dutchess County. Kids up to age 12 may also participate (up to a limit of 20) and they will be able to choose a picture frame to create their own ReDo masterpiece.

ReStore ReDo is designed to raise awareness for Habitat for Humanity of Dutchess County and its mission by showcasing the unlimited possibilities of repurposing items from the ReStore. Since 1986, Habitat for Humanity of Dutchess County has built 34 homes in our community. This coming year, we will build 4 more forever homes!

### How does it work?

Each ReDo-er will be able to choose one item from a designated selection at the ReStore. Each ReDo-er may also purchase, at their own expense, additional supplies (such as paint, hardware, etc.) to use for their ReDo project. There is no limit to the amount ReDo-ers may spend, however, any additional expense is not reimbursable, and all becomes the property of the ReStore.

There is a \$25 donation for adults, and children participate free.
