

ReStore ReDo 2022

What is ReStore ReDo?

ReStore ReDo invites local community individuals—from novice to experienced Do It Yourself-ers (DIY-ers)—to “re-do” or repurpose an item selected from the ReStore. Finished items will be displayed at the ReStore, where patrons will vote for their favorites, and will also be put up for auction online from October 18th to the 26th. We will also share them on our social media sites—Facebook, Instagram, LinkedIn, Pinterest, Twitter, and YouTube. This is a terrific opportunity to show off your creative talents! Kids up to age 12 may also participate (up to a limit of 20) and they will be able to choose a picture frame to create their own ReDo masterpiece.

ReStore ReDo is designed to raise awareness for Habitat for Humanity of Dutchess County and its mission, by showcasing the unlimited possibilities of repurposing items from the ReStore. All ReDo projects will be sold, and all funds raised through sales and the auction will support the Habitat mission to build safe and financially sustainable housing in Dutchess County. Since 1986, Habitat for Humanity of Dutchess County has built 34 homes in our community. This coming year, we will build 4 more forever homes!

How does it work?

Each ReDo-er will be able to choose one item from a designated selection at the ReStore. Each ReDo-er may also purchase, at their own expense, additional supplies (such as paint, hardware, etc.) to use for their ReDo project. There is no limit to the amount ReDo-ers may spend, however, any additional expense is not reimbursable, and all become the property of the ReStore.

There is a \$25 donation for adults, and children participate free.
